

SquidLab © 2019, The University of Warwick and The University of Cambridge (the "Software")

The Software remains the property of the Universities of Warwick and Cambridge ("the Universities").

The Software is distributed "AS IS" under this Licence solely for non-commercial use in the hope that it will be useful, but in order that the Universities as charitable foundations protect their assets for the benefit of their educational and research purposes, the Universities make clear that no condition is made or to be implied, nor is any warranty given or to be implied, as to the accuracy of the Software, or that it will be suitable for any particular purpose or for use under any specific conditions. Furthermore, the Universities disclaim all responsibility for the use which is made of the Software. They further disclaim any liability for the outcomes arising from using the Software.

The Licensee agrees to indemnify the Universities and hold the Universities harmless from and against any and all claims, damages and liabilities asserted by third parties (including claims for negligence) which arise directly or indirectly from the use of the Software.

No part of the Software may be reproduced, modified, transmitted or transferred in any form or by any means, electronic or mechanical, without the express permission of the Universities. The permission of the Universities is not required if the said reproduction or modification is done without financial return. The Licensee will communicate in writing to the Universities within a reasonable time all Licensee's modifications. The Licensee grants the Universities an irrevocable, transferable, royalty free, non-exclusive licence to use the Licensee's modifications for non-commercial purposes whether in conjunction with the Software or otherwise. You may be held

legally responsible for any copyright infringement that is caused or encouraged by your failure to abide by these terms and conditions.

You are not permitted under this Licence to use this Software commercially. Use for which any financial return is received shall be defined as commercial use, and includes (1) integration of all or part of the source code or the Software into a product for sale or license by or on behalf of Licensee to third parties or (2) use of the Software or any derivative of it for research with the final aim of developing software products for sale or license to a third party or (3) use of the Software or any derivative of it for research with the final aim of developing non-software products for sale or license to a third party, or (4) use of the Software to provide any service to an external organisation for which payment is received. If you are interested in using the Software commercially, please contact Warwick Ventures ("WV"), the technology transfer company of the University of Warwick, to negotiate a licence. Contact details are: ventures@warwick.ac.uk quoting reference *Warwick SquidLab COAP 2019086*. If you are in any doubt if your use constitutes commercial use, contact WV.

The Software was created with MathWorks MATLAB. You are responsible for obtaining the relevant MathWorks licence(s)
