Searched Web of Science on 15/01/2021

Inequalities related terms searched in topics and combined with title search for infectious diseases. This makes the search capture inequality related articles where inequalities are not necessarily mentioned in the title. Had to limit the infectious diseases to titles in order to focus on relevant papers.

#1	TS=(inequalities OR inequality OR "Socioeconomic Factor" OR "protected characteristics" OR inclusion health groups OR "Homeless Person*" OR homelessness OR Transients OR Migrant* OR "Sex Work*" OR "Gypsy roma" OR "rough sleeping" OR traveller* OR "traveller community" OR "traveller communities" OR "economic status" OR "educational status" OR income OR poverty OR "social class") AND DOCUMENT TYPES: (Review) Indexes=SCI-EXPANDED, SSCI, A&HCI, CPCI-S, CPCI-SSH, ESCI Timespan=2000-2021	47,492
